

HEALTH AND SAFETY POLICY

Health and Safety is an overriding value of all aspects of our business.

We will continually provide a healthy and safe working environment for our employees, contractors and visitors.

In the conduct of our business, Tüprag will ensure that it will;

- Meet all responsibilities to protect health, safety and welfare of its employees and others who may be affected by its activities.
- Comply with all relevant health and safety legislation and internal standards set by management.
- Implement continual improvement on health and safety management system and review its policies to maintain proper operational standards.
- Support the culture where health and safety risks are assessed and managed at all levels.
- Provide necessary systems, equipments and trainings to all employees in order to have healthy and safe working conditions where all company members cooperate and act with the sense of responsibility.
- Develop and implement effective emergency preparedness and response systems.
